

Notice to Patrons

Please note that "Loyalty Cards" will be discontinued after Sunday 27th August 2023..

Those with a full record by that date will be provided with two free tickets to a show of their choice to be used within three months of their issue.

We regret ceasing this incentive for regular attendees, but we believe this to be preferable in order to maintain positive cashflow for the Jazz Club in the face of rising costs.

Our efforts will be focussed on providing an enjoyable time when visiting the Club.
